What accomplishments are you most proud of (work-related or personal life)? **Multitude of business and non-profit organization awards culminated by being named "Insurance Person of the Year" in 2005 by the Professional Independent Insurance Agents of Colorado**

Any message for fellow classmates? **To all in the class of 57: Those years were the most carefree times of my life. To think that we grew up with Rock and Roll, Jimmy Gilmer, and all of the greats who are now in various Halls of Fame. Remembering those years are priceless. Leon and Wayne Swift and getting all of their Dad's vehicles stuck in the lake, Dennis Stanford and all of his antics and his ear to ear smile. Charles Eberhart and his craziness. Bill Sansing and our two years at Amarillo Jr. College. George Gray and our days in Orleans, France. Not to forget all of my "girlfriends". Those were the days and all of you are part of the memories.**
