I married a wonderful man, Grady Belew, in 1995 after being happily single for a number of years and not planning to remarry. We have been married for 12 years, since 1995. Between us we have three children, six grandchildren, and two great-grand-children.

Grady and I just moved to Allen, Texas to be closer to my son Scott and his family. Grady's health is frail now, but life is good. We miss our friends in Amarillo but not the dust. No pets right now, but lots of precious memories of Buster, our toy poodle.

I have operated an independent medical transcription service for doctors since the '60s. I e-mail work back to 3 docs in Amarillo now, guess it's in my blood. The most important thing in my life is knowing my true identity in Christ and seeing Him work out His will in my life and in my family. I was saved when I was a child, but never actually realized that God loved ME until 1984. We are so blessed --our God will use whoever trusts Him and is willing, in ways that we never dreamed of. He heals all wounds and gives us His peace and amazing love and incredible joy and the greatest purpose in the world!
