Minor or major occurrences and significant events since high school: **The greatest thing that has happened to my husband and me since graduation is the birth of our wonderful son. He was the sunshine in our lives. Christian was an accomplished organist and choir director. He was privileged to play many recitals in many parts of the US, but playing for church services was his love. He was a joy to all who knew him. He was especially caring of the senior citizens in the congregation at his church in Dallas, taking them on van rides at Christmas time to see the neighborhoods decorated with Christmas lights. He took them to various programs and enjoyed having them in his home for dinners. Christian was the ultimate compassionate, sensitive human being. He was gay and he died of AIDS at age 41 in 2006.**

Any message for fellow classmates? **Enjoy each day!**
